

# TRAINING PROGRAM MODEL RELEASE

I \_\_\_\_\_, understand fully that the service I am receiving is being performed by a J Salon assistant, in an educational workshop setting. I also understand that the assistant performing my service is learning and developing techniques and will be gaining hands-on practice on my hair. Furthermore, I agree to allow J Salon and its employees to cut and or color my hair as they see fit. I hereby willingly release J Salon and its employees from any liability resulting from any hair services received as part of the J Salon Training Program.
